A rare cabinet edition discovered in our wine cellar

Cigars To Smoke In Under 30 Minutes

Hoyo De Monterrey Light £31.00
Petit Robusto

A small but stocky smoke, increasingly popular and a crowd pleaser. The trail blazer of the short robusto size, this is light and elegant in style and carries the same flavour profile as its big brother the Epicure No2.

H.Upmann Half Corona Light/Medium £26.00

An attractive Havana packed with flavour for such a small cigar. Excellent for a short smoking break, this new vitola was introduced in 2011 and has already proven to be very popular.

Cohiba Maduro 5 Secretos Medium/ Full £37.00

A rich, sweetish Maduro 5, flavour in a compact size, which burns well and delivers an intense aromatic taste. A little jewel.

Montecristo No.4 Full / Medium £27.00

The world's best selling Havana cigar which remains popular due to its consistency in flavour and quality of smoke. It is often suggested that this cigar makes an excellent starting point for those new to Cuban cigars.

Montecristo Medium / Full £31.00
Petit Edmundo

'Petit Edmundo' is perhaps the perfect example of a cigar for our time. 25 minute smoke that takes its name from the character in Dumas' novel.

Cigars To Smoke In Under 45 Minutes

Hoyo De Monterrey Epicure No2 **Light** **£38.00**

A much lighter 'Robusto' in flavour and a firm favourite amongst connoisseurs, as the plantations from which the leaves are picked are famed as some of the best in the Vuelta Abajo. A super draw and deserves a suitably delicate drink to partner it.

Romeo Y Julieta Short Churchill **Medium** **£31.00**

A 'Robusto' linked to Sir Winston Churchill, as the name suggests, is a shorter version of the cigar he used to smoke. He visited Havana in 1946 and went to just one factory - Romeo Y Julieta - where he fell in love with their blend.

Cohiba Robustos **Medium / Full** **£41.00**

Part of La Linea Classica which offers a medium-full flavour which smokes slightly fuller than La Linea 1492 (the Siglo range). Slow burning and packed with flavour.

Trinidad Vigia **Full** **£42.00**

A new addition to Trinidad's range of cigars, Its heavy ring gauge offers an abundant smoke, lush with earthy truffle notes, oak and a warm nutty finish. Vigia is named for the watchers in the Cuban city of Trinidad erected to observe the sugarcane fields.

Partagas Serie D No.4 **Full** **£37.00**

One of the best Robustos in the world. The stocky shape of this cigar provides a slow burning masterpiece that packs the flavour of a much larger cigar into a shorter format. Strong and full-bodied, with aromas of wood and spice, this is truly a connoisseur's cigar and the only survivor of the first cigar line produced by the oldest factory still operating anywhere in the world.

Cigars - In Under or For Over One Hour

Cohiba Siglo No.6 Medium £59.00

Launched in Cuba in 2002 as an addition to La Linea 1492, the Canonazo size became an instant classic. Despite its size, this cigar is slightly lighter in flavour than the Cohiba Robusto. An iconic heavy gauge Havana.

Romeo Y Julieta Medium £41.00 **Wide Churchill**

This new vitola from Habanos was released on the market in February 2010. It has got a solid ring gauge and it is now one of the leading lights of the Romeo y Julieta brand. This is a Churchill that redefines the concept of a creamy smoke. Powerful and yet disarmingly smooth, you can only be seduced by this remarkable cigar.

Montecristo No.2 Medium / Full £37.00

Many believe that the tapered format, or 'Figurado', has an advantage in terms of combustion and burn. Pre-1930, nearly all cigars were a 'Figurado' and this cigar is a classic example. A connoisseur's favourite and incredibly consistent year after year.

Cohiba Behike BHK56 Full £100.00

One of the most sought after in the world, this cigar includes the Medio Tiempo leaves which are notoriously difficult leaves to cultivate and they give a very full flavour. This is also the heaviest gauge in production in Cuba, but it provides a fantastically easy and smooth draw.

Partagas Serie E2 Full £49.00

At the end of February 2011, the Partagas Serie E No.2 was officially released at the XIII Habanos Festival in Cuba. The Serie E No.2 is the first in a new line of Partagas Serie that will likely be known for its larger ring gauge and imposing size. Less strong than the classic Serie D4, still a full experience and a perfect draw.

Partagas LE2014 Full £63.00 **Seleccion Privada**

.With a wide ring gauge and at just over six inches long, the Selección Privada provides ample time to enjoy the full flavours and rich aromas that Havana's best selling full flavoured cigar house has to offer. Leaves are aged for a minimum of two years.

Limited & Regional Editions

Limited Edition cigars are made from specially selected tobacco leaves from the Vuelta Abajo zone which is widely regarded as the finest tobacco growing land in the world. All the leaves used have been aged for a minimum of two years.

A little patience is required for the blend to settle down but this cigar has balance and complexity and great potential.

UK Regional Editions started in 2005, when cigars companies that distribute Habanos have been proposed to suggest their very own custom size towards a more “uncommon” Habanos Brand. Crafted in limited and numbered boxes, these cigars are a real unique experience.

Romeo y Julieta Piramides Anejados **Medium / Full** **£48.00**

This series is made up of cigars that are aged 5-8 years prior to being released. Big ring and good length will mean this cigar has rich and complex flavours. This Vitola offers a dry draw, as the smoke continues other flavours arise as some cedar and spice notes.

Cohiba Piramides Extra **Full** **£56.00**

Pirámides Extra fits within the Cohiba Linea Clasica blend, with a mild-to-strong taste. It's completely rolled by hand with leaves hailing from the finest tobacco plantations of San Juan y Martinez and San Luis, in the region of Vuelta Abajo in the province of Pinar del Río in Cuba.

Cohiba Robustos Supremos L E 2014 **Full** **£80.00**

Limited Edition cigars are made from specially selected tobacco leaves from the Vuelta Abajo zone that all have been aged for a minimum of two years. Iconic Cigar.

Romeo de Luxe Romeo y Julieta L E 2013 **Medium / Full** **£48.00**

This is a heavy 52 ring gauge with a more powerful burn than the classic aroma that made Romeo y Julieta one of the most renowned brand of cigars from Cuba. A beautiful smoke, rich and unique that will please regular and new smokers.

Cohiba Maduro 5 Genios **Medium / Full** **£75.00**

The most substantial of the Maduro 5 line born in 2007. The dark wrapper, specially aged for five years, brings a touch of sweetness to taste. Great cigar.

Annabel's Vintage Collection

Lemorton 1963 Calvados / 40% - Normandy - France **£55.00**

This rare and long-aged vintage is gloriously subtle and sophisticated, lighter in style than the predominantly apple-based Calvados of the Pays d'Auge of Normandy.

Domfrontais calvados must have at least 30% of pears used in its making, and at Lemorton the figure is more like 70% and it leads to a slightly lighter coloured spirit which is more delicate, elegant and feminine in style. An average age of 30 years will surprise you with bursts of honey, linden flowers, leather and spices.

Delord Récolte 1963 / 40% - Armagnac - France **£65.00**

Situated in Bas-Armagnac, Delord vineyards are made up of Colombard, Ugni Blanc and Folle Blanche grape varieties. The distillery is to be found in the village of Lannepax, the ancestral home of the Delord family.

The distillation is made with an old Sier Armagnac alambics, that produces less than 30 litres of eau-de-vie an hour. The cellars contain very old treasured vintages and the 1963 has been especially bottled for Annabel's in 2012.

Darroze Ch. de Gaube 1963 / 44.6% - Armagnac - France **£85.00**

Marc Darroze kindly explored the family treasures to bottle especially for Annabel's this amazing 50 years old eau-de-vie.

Bas Armagnac lies on the western side of the Armagnac region of France and is famed for producing some of the best examples of this distinctively styled brandy. This is delicate, complex and very aromatic example is all natural, without caramel or woody taste added. Also no water is added to the spirits to reduce the degree of alcohol so you can taste the full potential of the soil, the earth and craft of this amazing digestive.

Darroze Ch. De Lassérade 1942/ 53% - Armagnac - France **£100**

Very rare to find any spirit from a WWII vintage, so this is a real testimony to the bravery of the producer as well as the quality of this Armagnac.

Annabel's Vintage Collection

Glenfarclas Family Cask 1963 / 50.4% - Scotland **£160.00 - Highland Single Malt Whisky**

After 44 years maturation in a single sherry butt, the Family Cask collection is rich and dark, almost like an old port wine on the nose with lovely rich vibrant tannins. It is a heavy-sherried whisky, great if you like them big and powerful but not overpowering with a wonderful long finish sitting heavily at the back of your mouth with delicate natural fruit sweetness. Only 194 bottles at natural cask strength, this dram will wonderfully balance your evening.

Glenmorangie 1963 / 43% - Scotland **£180.00 - Highland Single Malt Whisky**

This malt was casked in bourbon oak in very limited quantities in 1963 for 22 years and then uniquely finished off in Spanish Oloroso sherry casks for one further year, making this one of the oldest and rarest Glenmorangie's ever produced. It is also a stunningly beautiful example of Glenmorangie with intense fruit and mineral dryness.

A great snapshot of history that the Malt club describes as the best malt they have ever had the pleasure to drink, and they have tried many.

Darroze D. d'Eyres 1934 / 53% - Armagnac - France **£210**

An exclusive Domaine with very unique flavours. Rich and delicate, candied fruits and well balanced. The combination of all favours brings a magnificent balance which is only found on a unique and exclusive Armagnac as such.

Darroze D. de Picpout 1918 / 53% - Armagnac - France **£250**

The nose is full of finesse, mainly fruity aromas, hazelnut, almond and prunes, spices as vanilla, cinnamon, and roasted coffee and cocoa providing complexity. In the palate, the tannins are silky, rich and fine. Long finish.
